**Ref: Color&More - Bioglitter™ Distribution; Turkey**

We are extremely pleased to announce that Ronald Britton Ltd is working with Turkish raw material distributor Color&More to distribute Cosmetic and Deco Bioglitter™ products.

Color&More, one of companies of the Ravago Group Belgium, has a wealth of experience in special effect pigments. This coupled with their expertise in specialty pigment distribution, makes them an idea distribution partner for our world leading eco-friendly Bioglitter™ products.

All within the Bioglitter™ team are excited to be working with Color&More. We look forward to the development our relationships within the cosmetics industry and decorative industries in Turkey.
