

October 2022

Ref: DKSH - Cosmetic Bioglitter™ Distribution; DACH, Nordic and Baltics

We are extremely pleased to announce that Ronald Britton Ltd is working with Raw Material distributor DKSH to distribute Cosmetic Bioglitter™ products in German, Austrian, Swiss, Nordic and Baltic territories.

DKSH have a wealth of experience within the cosmetics market. This coupled with their technical expertise in specialty raw materials, makes them an idea distribution partner for our world leading eco-friendly Cosmetic Bioglitter™ products.

All within the Bioglitter™ team are excited and proud to be working with such a well-respected company as DKSH. We are looking forward to the development our relationships and our Bioglitter™ business within the cosmetics industry in the aforementioned territories.
